

Get your sleeping bags, flashlights, and campfire songs ready! We're going on a camp-in! Many venture into the woods to escape the hustle and bustle of everyday life. In this Play With The Family Place at Home Edition, we're bringing the camping experience to you in your own home!

Activities:

- Create the illusion of sleeping under the stars! Color and cut out stars and tape them to your ceiling. After, bring any blankets, pillows, sleeping bags, mattresses, etc. you need for sleeping into the living room.
- Build your own indoor 'campfire'. **Follow this template** to assemble your fire.
- Get books from your local library to read by flashlight while sitting around the campfire in your living room.
- No camping trip is complete without playing games around the campfire!
 - Stories around the campfire! Try the Campfire Add to the Story game. One person starts the story and the next person adds onto it. Continue going around to every family member until each person has gone 3 times.
